

Sunday Mass, Prayer, and the Sacramental Life of the Church.

Due: Weekly beginning November 1st

Preparation for Confirmation should facilitate a continual process of conversion and enable full and active participation in the life of the Church with ever-growing depth. A key sign of readiness for any sacrament is how a person participates in the sacramental life of the Church.

Confirmation candidates are expected to participate in the sacramental and liturgical life of the parish by:

- **Actively participating in Mass every Sunday**
 - ➔ To participate in person which is encouraged, RSVP to attend by [clicking here](#).
 - ➔ To participate via streaming simply go to the parish website and follow the links on the main page at www.oldsmarys.com.
- **Receiving the Sacrament of Reconciliation frequently**
- Intending to live a sacramental life from today forward.

Candidates are asked to complete a simple online Mass journal each week. Below are two short videos. I encourage the youth to watch both as they relate to understanding the Catholic Mass, the way that we worship.

1. 3 minutes on the purpose of the Mass. [Click here](#).
2. 5 minutes on signs and symbols. This link is part of the Mass journal and while it can be skipped, I encourage you to revisit it, watch it every so often. The second half of the video brings it all together very well. Watch the video frequently, just like we practice our sport, instrument, debate, theater roles, visit the gym, etc, we continually need to form ourselves in our faith. This video is part of the Mass journal so you can watch often as the more we train ourselves to become aware of things happening in the context of Mass each week, the more we are engaged in active worship.
