

Old St. Mary's Parish Confirmation Prep will utilize The Altaration Series to teach and foster a greater understanding of how we pray and worship. This track in Confirmation Prep will reveal the connection to our Mass and who we are as disciples, followers of Christ. The series features some of the best Catholic speakers; Mark Hart, Jackie Francois Angel, Fr. Joshua Johnson, Chris Stefanick, and Fr. Mike Schmitz.

## Schedule Options for the sacramental prep track **"Altaration, Unpacking the Mass"**

As I mentioned at the orientation, each candidate and parent (sponsors welcome too) need to set time aside to participate in a special track on the Mass. We will offer two format options and times for you to choose from. We will offer a Saturday morning of reflection option from 9am to 1pm, and we will provide the same program over 5 weeks of 75-minute sessions. You can choose the time option that works best for you, to complete it in; one morning or spread it out over a few weeks.

We will offer options multiple times this summer and then once more in the fall. Families will need to discern the best time to participate, weighting the demands of sports, vacations, and academics, family life. Registration in advance is required. See below to view the times and formats the sessions will be offered this summer and the fall. You can register in advance via the Confirmation Website, which allows the link below to be "live."
